Description	<p>*Please note - there will be works commencing in the park next to the helipad at Campbelltown Hospital from 3 March 2021* In preparation for the opening of our new Emergency Department in 2022, a range of works are required within the hospital's P1 car park to support additional capacity and improved vehicle and pedestrian traffic flow. From Wednesday 3 March to late October 2021, access to the P1 visitor car park will be restricted to emergency vehicle access, public bus services, patient drop-off, renal dialysis patients and accessible parking to enable extensive construction works. Alternate parking is available in the nearby P2 car park and other visitor car parks across campus. Works will be undertaken 24 hours a day, seven days a week and involve a number of stages, with varying impacts at any given time. Motorists and pedestrians are asked to please follow signage and instructions of traffic controllers to ensure safe travel. Increased construction vehicle traffic and some noise, dust and vibration impacts may also be experienced.</p> <p>A range of minor site preparation works will also be undertaken during the week prior to the closure, with traffic control in place where required.
